

Announcing... a NEW UNION COUNTY COLLEGE course

**Spring, 2010.... Sign up NOW!**

**EGG 107-071:**

# **Understanding Sustainability and Green Technologies**

**Monday evenings, 5:40-8:30 pm**

- Are you concerned about the environment, but want the facts?
- Would you like to learn about other cultures and how they are dealing with climate change?
- Do you feel overwhelmed by how everything out there is now “green” or “eco-friendly”?
- Have you ever wanted to consider how our decisions affect more than just the money in our pockets?

**If you have questions like these, then we’ve got the class for you!**

**You are cordially invited to sign up for UCC’s 3-credit course**

**EGG 107- UNDERSTANDING SUSTAINABILITY AND GREEN TECHNOLOGIES.**

**It combines classroom and online learning opportunities to develop an understanding about all things “Green.”**

**Questions? See Prof. Nick Gilbert or Lois Hely in room N-11**

**or call 908-709-7559.**
